## BMX RACE TRACK

First track on the west coast to have decision makers and pro sections with more features on the way!

Beginners can choose a course with simple obstacles and advanced riders can opt for a course with more technical obstacles. The pro section features 25 and 30 foot jumps that make for good racing and excitement for the audience. Many professional, world acclaimed, BMX racers are calling Fresno BMX the best track in the country.

## DIRT JUMP PARK NOOS ONIWOOD

Plus another technical and challenging track coming in 2009!
